

V. V. Institute of Pharmaceutical Sciences

Seshadri Rao Knowledge Village, Gudlavalleru-521356.

Name of the program : “STUDY FOR EX PHARMA SERIES”

Date Of the Program : 06-02-2019

Resource person details : Dr. Sk. Aminabee

V. V. Institute of Pharmaceutical Sciences conducted a program for students on **“STUDY FOR EX PHARMA SERIES”** by Dr. Sk. Aminabee, Professor, NRI College of Pharmacy on Ex Pharm – Series. It is a software used mainly to perform pharmacology experiments/practicals, by the help of this software students can perform pharmacology experiments through “computer assisted learning (CAL) and animal simulation studies without harming the animals. The modules in the software can be used to demonstrate effect of drugs on different animals’ systems. The software is being used and trusted by pharmacologists from many years. The package is user friendly, highly interactive and full of animated sequences which make simulation appear realistic. The current version of Ex-Pharm (Experimental Pharmacology) - Series Software consists of following computer simulated experiments:

Dr. A. Lakshmana Rao, Principal , V.V. Institute of Pharmaceutical Sciences, expressed his views regarding the program and we got good response from students.
