INDUSTRIAL VISIT REPORT

Date: 13-03-2023

V. V. Institute of Pharmaceutical Sciences, Gudlavalleru had organized two days industrial visit to Hyderabad for the students of M. Pharmacy as it benefits the students to acquire knowledge regarding the manufacturing techniques followed in the pharmaceutical industry.

Dr. B. Mohan Gandhi had taken initiative with the guidance of principal Dr. A. Lakshmana Rao. Dr. B. Mohan Gandhi and Ms. A. Pavani Gayatri were allotted as the coordinators for the industrial visit.

Eugia is a Pharma Company in India, providing affordable & accessible specialized products like General Injectables, Oncology, Ophthalmics etc.

ICRISAT-The research station offers an insight into the integration of agricultural sciences and research-for-development activities across the whole value chain – high end science using germplasm from the gene bank, genomics laboratory, phenotyping and genetic engineering facilities, through to the agribusiness center, watershed management and crop production field experiments.

BENIFITS OF THE VISIT:

- Students understand the research progress in agricultural science and pharma industry.
- Students interact with industrial experts
- Students learn about preparation of various pharmaceuticals majorly injectables and oncology and ophthalmic products.
- Students also visited NIPER Hyderabad and Bionest incubation center. The visit seems to be very informative and gave good learning experience to students.
