Report

V. V. Institute of Pharmaceutical Sciences Conducted coaching classes for GPAT/ NIPER/ PGECET for III & IV year B. Pharmacy students. The course is designed mainly to train the students who appeared for competitive exams and to give guidance to the students regarding syllabus, examination pattern, negative marking and preparation techniques.

Outcomes of Coaching:

- Students may acquire new skills, concepts, and knowledge that are relevant to the GPAT/NIPER exam.
- Competitive exam coaching often includes guidance on syllabus, exam pattern, exam strategies, time management, and problem-solving techniques. Students can learn how to approach different types of questions and maximize their scores.
- Students can build their confidence in their abilities to tackle challenging exam questions.
- Coaching for competitive exam helps in achieving Higher Scores.
- Coaching can teach students how to manage their time effectively during the exam, ensuring that they can complete all sections or questions within the allotted time.
- It is especially helpful for addressing individual weaknesses and tailoring the preparation plan accordingly.
- Coaching can help students to update knowledge on the latest exam trends and strategies.
- Coaching often bring together students who are preparing for the same exam. Helps the students to share their knowledge each other.
- Provide career opportunities by scoring good marks in exams.

Students conveyed their sincere gratitude and the need to conduct such programs. Dr A. Lakshmana Rao acknowledged the resource persons for sharing their valuable information to students.

Report

Name of the Program: "Clinical Research in and Around India"

Date of the Program: 19-11-2020

Report Form on "Career Guidance Program"

V. V. Institute of Pharmaceutical Sciences has successfully conducted the career guidance program entitled "**Clinical Research in Around India**" by Dr. M. Eswar Gupta, Professor and Principal, Sir C.R. Reddy College of Pharmaceutical Sciences, Eluru. The content covered were Clinical research and its importance etc.

Our welcome note was delivered by Dr. A. Lakshmana Rao (principal) who expressed his gratitude to the faculty members and addressed the students about the importance of the program going to be conducted in the meeting.

Career guidance programs often include importance of clinical research, which is a vital component of the healthcare industry, involved in conducting studies to understand, diagnose, treat, and prevent human diseases. India has emerged as a significant hub for clinical research due to its diverse patient population, focused on rare diseases and genomic research, skilled healthcare professionals, and cost-effectiveness. This program explores the current state of clinical research in India, its contributions to medical advancements, challenges faced, and future prospects.

Over all session on career counseling completed successfully and students participating in a career guidance program felt happy and inspiring, we have a good response from the students.

Report form on "Career Guidance Program"

V. V. Institute of Pharmaceutical Sciences has successfully conducted the career guidance program entitled "**Career Building**" by Dr. A. Ramesh, Principal and Professor, VIPER, Narasapur, for the future prospects in the field of pharmacy. The content covered were Self discovery, Confidence building, Resume Building and Interview Skills, Long-term Planning, Informed Decision-Making, Clarity of Goals.

Our welcome note was delivered by Dr. A. Lakshmana Rao (principal) who expressed his gratitude to the faculty members and addressed the students about the importance of the program going to be conducted in the meeting.

In this program students need to know about Positive thinking, Decision making, clarity in setting goals.

Career guidance programs often teach about self-assessment tools and exercises that help individuals identify their strengths, interests, values and personality traits. This self-discovery is essential for making informed career choices. Through counseling and exploration, participants gain clarity about their career goals and aspirations. Understanding what one wants to achieve professionally is the first step toward building a successful career plan. And provide individuals with information about various career paths, industries, job roles and educational requirements. Informed decision-making leads to better career choices aligned with one's skills and interests. Understanding one's strengths and having a clear career plan can boost confidence. Participants gain confidence in their abilities and decisions, which is essential for pursuing their chosen career paths.

Over all session on career counseling completed successfully and students participating in a career guidance program felt happy and we have a good response from the students.
