**Name of the program:** HAR GHAR THIRANGA

**Date of the program:** 13-08-2022

HAR GHAR THIRANGA program was proudly initiated by Principal, Management and Staff of the V.V. Institute of Pharmaceutical Sciences, Gudlavalleru on 13<sup>th</sup> August.

"Har ghar thiranga" is a phrase in Hindi that translates to "Every home has the tricolor." The tricolor refers to the Indian national flag, which consists of three horizontal stripes of saffron (or orange), white, and green, with a blue Ashoka Chakra (wheel) in the center.

This phrase reflects the patriotic spirit and pride in the Indian flag, emphasizing the idea that every household in India should have or display the national flag as a symbol of unity and national identity. It's often used to promote patriotism and a sense of belonging to the nation.

Independence Day is a national holiday celebrated in various countries around the world to commemorate the day when they gained independence from colonial rule or foreign domination.

Program started with flag hoisting, the National flag was hoisted by Principal sir and he also expressed Independence Day in India is not only a day of celebration but also a time for reflection on the country's history and the sacrifices made by freedom fighters in the struggle for independence. It's a day when citizens reaffirm their commitment to upholding the principles of democracy, unity, and diversity that the country was founded upon.

Students, staff and principal participated in HAR GHAR THIRANGA Rally was started from college, students waved flags and banners, cheered with slogans BHARAT MATA KI JAI and rally was followed up to Gudlavalleru bus stop enlightening about Har Ghar Thiranga program initiated by Honorable Prime Minister.

After rally prizes were distributed to winners in various competitions held in college. Program ended up with cultural events like patriotic singing and traditional dances whole campus filled with flags and cheers gave the premises a festive touch.

**Name of the program: TELUGU LANGUAGE DAY**

**Date of the program: 29-08-2022**

The Management, Principal, Staff and Students of V. V. Institute of Pharmaceutical Sciences celebrated Telugu Language Day in college premises on August 29<sup>th</sup> 2022.

College premises were decorated with rangoli and balloons. The students wore colorful dresses and an entire premise was colorful. All the students enjoyed for the cultural events conducted.

Telugu Language Day (Telugu Bhasha Dinotsavam) is celebrated annually on August 29<sup>th</sup> in the Indian southern state of Andhra Pradesh.

Telugu is one of India's six classical languages, spoken in the states of Andhra Pradesh and Telangana. Telugu, a Dravidian language, is also the official language of the states of Telangana and Andhra Pradesh.

Telugu Language Day is celebrated on birthday of Gidugu Venkata Ramamoorthy, a prominent Telugu writer, one of the earliest linguists and social visionary during the British rule. He is known for advocating the use of a language, comprehensive to the common man, and opposed the use of scholar language.

Telugu is the fourth most spoken language in India and it is called "The Italian of the East" because Niccol de Conti, a 16th-century Italian traveler, found that the Telugu language finishes with vowels just like the Italian language. The International Alphabet Association chose the language's script to be the 2nd best in the world in 2012.

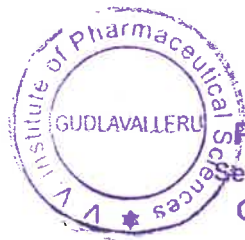

The program was planned and organized under the guidance of Principal Dr. A. Lakshman Rao, and it was greatly supported by staff and students of the Institution.

On eve of the programme, different cultural events are organized for students of the college and other colleges and winners are appraised with the mementos.

Name of the program: NATIONAL SPORTS DAY

Date of the program: 29-08-2022

National Sports Day is a day dedicated to celebrating the importance of sports and physical activity in a nation. It is observed in various countries around the world, and the date of its observance can vary from one country to another. The primary purpose of National Sports Day is to promote and encourage sports participation, raise awareness about the benefits of sports, and highlight the achievements of athletes and sports organizations.

National Sports Day serves as a reminder of the important role sports play in promoting physical well-being, fostering teamwork, and building character. It also encourages young people to take up sports and pursue excellence in the field.

The National Sports Day was successfully organised under the guidance of our beloved Principal, Staff and students of our college. Principal sir gave a deliberate speech about the importance of the physical education in our day-to-day life. Various students from various colleges participated in the events conducted in our college.

After the speech the program was followed by the Prize distribution to the winners in various categories regarding the competitions held. National Sports Day this year was a resounding success, with participants and spectators coming together to celebrate the power of sports. The day was a reminder of the importance of physical fitness, teamwork, and the positive impact of sports on society. It encouraged people of all ages to embrace a healthy and active lifestyle.

**Name of the program:** WORLD PHARMACIST DAY

**Date of the program:** 24-09-2022

The Staff, Management, Students of V.V. Institute of Pharmaceutical sciences is celebrated World Pharmacist Day on 24th 2022.

World Pharmacists Day .is celebrated on September 25th each year. This day is dedicated to recognizing and celebrating the important role that pharmacists play in healthcare and their contributions to improving the well-being of people around the world. Pharmacists are essential members of the healthcare team, and they are responsible for dispensing medications, providing medication counseling, and ensuring the safe and effective use of drugs.

The theme for World Pharmacists Day may vary from year to year, but the overarching goal is to highlight the value of pharmacists in the healthcare system. This day provides an opportunity to raise awareness about the profession and the services that pharmacists offer. It also promotes the importance of responsible and rational medication use.

The event was organized by the Principal, Staff and students, IPA members of our college. The principal sir delivered the speech regarding the event that the day serves as a reminder of the valuable contributions made by pharmacists in improving the health and well-being of individuals and communities, as well as their role in advancing healthcare and pharmaceutical sciences.

After the speech session, the program was followed by prize distribution for winners who are participated in various events. Many Cultural events were conducted like singing, dancing and skit etc.

Students enjoyed the event and also the event provides the information about responsibilities of pharmacist

Dussehra was a day filled with spiritual fervor, cultural richness, and a sense of unity. People from all walks of life came together to celebrate the victory of good over evil and to enjoy the festive traditions that have been passed down through generations. The city's Dussehra celebrations were a true reflection of India's diverse and vibrant culture, leaving everyone with a sense of joy and togetherness.

Dussehra, also known as Vijayadashami, is a major Hindu festival celebrated in various parts of India. It marks the victory of Lord Rama over the demon king Ravana and the triumph of good over evil. Dussehra celebrations typically include a range of activities and rituals.

College premises were decorated with colorful rangolis, balloons and color papers, staff and students dressed up with traditional wear gave the entire college a festive touch.

The Management, Principal, Staff and Students of V. V. Institute of Pharmaceutical Sciences celebrated Sankranthi on Sankranthi Celebrations event on 28<sup>th</sup> September 2022.

The program was planned and organized under the guidance of Principal Dr. A. Lakshmana Rao, and it was greatly supported by IPA members, Staff and students of the Institution.

The Head of the Institution gave a deliberate speech on Dusshera festival and moral out of the mythological stories of Indian traditions.

After the speech, the session was continued with the various cultural programs like dancing, solo singing, folk dances etc. and program wined up with the prize distribution to winners in various categories and competitions. Overall, the festival celebrations were conducted in campus was very memorable and joyful.

Name of the program: NATIONAL UNITY DAY

Date of the program: 31-10 -2022

National Unity Day, also known as Rashtriya Ekta Diwas, is an annual observance in India that commemorates the birth anniversary of Sardar Vallabhbhai Patel, a prominent leader in the Indian independence movement and the country's first Deputy Prime Minister and Minister of Home Affairs. National Unity Day is celebrated on October 31st each year.

The main objective of National Unity Day is to promote and reinforce the idea of a united and integrated India. Sardar Patel played a pivotal role in the integration of princely states into the newly independent India after gaining independence from British colonial rule in 1947. His efforts helped unify India into one nation, and he is often referred to as the "Iron Man of India" for his determination and leadership in this endeavor.

The Staff and students celebrated National Unity Day this year with immense pride and gratitude. The program was planned and organized under the guidance of Principal Dr. A. Lakshmana Rao, and it was greatly supported by Management committee, IPA members, Staff and students of the Institution.

The Speech given by Principal sir was more captivating and more informative about importance of Unity Day. All the HODs also expressed their views about celebrations of National Unity Day.

Different cultural programs were held and students also actively participated in the events conducted. Finally, program concluded with the prize distribution for winners in various competitions held.

**Name of the program:** NATIONAL PHARMACY WEEK CELEBRATIONS

**Date of the program:** 26-11-2022

National Pharmacy Week serves as an opportunity to educate the public about the various services offered by pharmacies and to highlight the importance of medication safety and adherence. It's a time for healthcare organizations, pharmacies, and professional associations to show their support and appreciation for the pharmacy profession.

The week often includes events such as health fairs, educational programs, and community outreach activities. These activities aim to promote the role of pharmacists in medication management, patient counseling, and promoting overall health and wellness. It's also a time to acknowledge and appreciate the hard work and dedication of pharmacists and pharmacy technicians.

National Pharmacy Week Celebrations are held one week and the final event was organized under the guidance of Principal, Management, Staff and Students of V.V. Institute of pharmaceutical sciences on 26th November 2022.

The session was followed by the Prize distribution for winners in various competitions like Pharma quiz, slogan writing, skit, craft making etc. Students from various colleges and also in college students participated enthusiastically, thus the program continued for five days.

Thus, the event was a grand success and the students enjoyed the program a lot. National Pharmacy Week serves as an opportunity to educate the public about the various services offered by pharmacies and to highlight the importance of medication safety and adherence. It's a time for healthcare organizations, pharmacies, and professional associations to show their support and appreciation for the pharmacy profession.

**Name of the program: SANKRANTHI SAMBARALU**

**Date of the program: 10-01-2023**

Sankranti is a time for joy, gratitude, and a sense of community, as it celebrates the abundance brought by the harvest season and the promise of a new beginning. It is a beautiful blend of cultural, religious, and social festivities, making it one of the most anticipated festivals in Andhra Pradesh and Telangana.

Sankranti is a harvest festival celebrated in January, marking the transition of the sun into the zodiac sign of Makara (Capricorn). It is a significant festival in South India and is known by different names in various regions, such as Pongal in Tamil Nadu and Lohri in Punjab.

The students and staff of the entire dressed up in their traditional bestand decorated the college premises with Rangoli and took part in various activities. The entire college wore a colorful look with Rangolies with attractive colours. Students decorated the Rangolies by keeping "Gobemmas" at the centre of Rangolies.

Sankranti is organized by the cooperation of Principal sir, Management, Staff and Students of V.V.I.P.S and lady faculty along with students took part actively in the various cultural events held like traditional dances, singing, folk dance and group dance etc.

The Principal sir and all the faculty members expressed their wishes to students and finally the program was concluded with the prize distribution to the winners for various events competitions held this occasion.

**Name of the program:** NATIONAL YOUTH DAY

**Date of the program:** 12-01-2023

Youth Day is an observance dedicated to celebrating and honoring the young people of a nation. It is typically a day when governments, organizations, and communities recognize the contributions, achievements, and potential of youth in society. Youth Day can take various forms and may include events, activities, and discussions focused on the concerns, needs, and aspirations of young people.

National Youth Day is celebrated in India on January 12th every year to commemorate the birthday of Swami Vivekananda, a renowned Indian philosopher, and spiritual leader. Swami Vivekananda was a key figure in the introduction of Indian philosophies of Vedanta and Yoga to the Western world and played a significant role in the revitalization of Hinduism in India.

The program was planned and organized under the guidance of Principal Dr. A. Lakshmana Rao, and it was greatly supported by IPA members, Staff and students of the Institution. The principal sir expressed his views about the day serves as a reminder to the youth of India to follow their dreams, be socially responsible, and work towards the betterment of the nation and the world. It also encourages them to embrace the core values of Swami Vivekananda, which include self-confidence, self-discipline, and a commitment to serve humanity.

After the Speech the session was continued by the various cultural events like fashion show, singing, folk dances and mini projects etc. Students actively participated in all the events with enthusiasm.

The Youth Day celebrations finally ended up with the Prize distribution for winners in various competitions held in our college.

The program was concluded with the variety of events providing huge inspiration for budding students.

**Name of the program:** NATIONAL WOMEN DAY

**Date of the program:** 13-02-2023

The Management, Principal, Staff and Students of V. V. Institute of Pharmaceutical Sciences celebrated National Women Day in college premises on February 13th 2019.

College was decorated with rangoli and ribbons. All the Staff, Students wore colorful dresses and the College premises were filled with joy and happiness with festive vibes.

The main motto of the program is to create awareness of gender equality for a healthy society. Also, the milestone to be reached is the basic information for a girl child in every family education will during awareness among the society which will further result in overall development of nation and its community.

The program was planned and organized under the guidance of Principal Dr. A. Lakshmana Rao, and it was greatly supported by Management, Staff and students of the Institution.

The main topics covered are SELF DEFENSE - Being able to know how to defend herself is an invaluable tool as she grows up, taking her skills with her to college, and it gives not only her but also her parents a feeling that at least their daughter is safe and also about WOMEN HEALTH – maintaining proper hygiene and knowledge about importance of healthy diet.

After the Speech, the HOD and staff members shared their thoughts and followed by Prize distribution to students for various events held. Cultural events are conducted like singing, skit, dance, retro theme was main attraction. All the students and staff cheered the participants with sheer and joy.

Date: 01-03-2023

Name of the program: NATIONAL SCIENCE DAY

Date of the program: 28-02-2023

National Science Day is celebrated in India on February 28th every year. This day is dedicated to the field of science and commemorates the discovery of the Raman Effect by Sir C.V. Raman, an Indian physicist, on February 28, 1928. The Raman Effect is a phenomenon in molecular physics, and Sir C.V. Raman's discovery earned him the Nobel Prize in Physics in 1930.

National Science Day is observed to promote the importance of science in everyday life, to encourage scientific thinking and temper, and to honor the contributions of Indian scientists to the world. Various educational institutions, government organizations, and scientific communities organize events and activities like science exhibitions, lectures, and seminars to celebrate this day and raise awareness about the significance of science and technology. Each year, a specific theme is selected to focus on a particular area of scientific research and development. This day serves as a reminder of India's scientific prowess and the need for continued scientific advancements.

National Science Day was organized under the guidance of Principal Dr. A. Lakshmana Rao, and it was greatly supported by IPA members, Staff and students of the Institution.

Students actively participated in the innovative ideas competitions, make best out of waste, Craft making, slogan writing etc. and also singing, dancing. Various cultural events were conducted, prize distribution to the winners in various competitions and the session ended up with the speech of the Head of the Institution.

In summary, Science Day is important for celebrating scientific achievements, promoting scientific awareness, fostering scientific curiosity, improving scientific literacy, and emphasizing the relevance of science in our daily lives. It encourages collaboration, education, and research in the field of science, ultimately contributing to the progress of society and the betterment of humanity.

Date: 03-04-2023

Name of the program: 13<sup>th</sup> ANNUAL DAY CELEBRATIONS

Date of the program: 29-03-2023

Annual day celebrations in college are a significant event that typically occurs once a year. These celebrations are an opportunity for students, faculty, and staff to come together and commemorate the achievements and milestones of the college. The specific activities and events during annual day celebrations can vary from one college to another, but here are some common elements like Cultural Performances: Students often put on a variety of cultural performances, including dances, music, drama, and skits. These performances showcase the diverse talents of the student body. Awards and Recognitions: Outstanding students, both academically and in extracurricular activities, may receive awards and recognition during the event. Sports and Games: Sports competitions and games may be organized, and winners can be recognized during the event.

Annual day was organized under the guidance of our beloved Principal, Management, Staff. This day is conducted annually to honor the Academic toppers of all the years, various cultural competitions were held for the students and many students from other colleges also actively participated in it. The Winners of the Competitions are given prizes and certificates.

Principal sir reveals the academic report of the students and cash prize is given for appreciation of overall academic topper.

Program was followed by various cultural events like fashion show, theme dance, solo dance and singing etc. Students enjoyed the events conducted.

Date: 21-04-2023

Name of the program: WORLD CREATIVITY & INNOVATION DAY

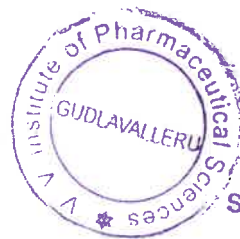

Date of the program: 20-04-2023

"World Creativity and Innovation Day" is a global observance that encourages people to use creativity and innovation to solve problems, improve their lives, and make the world a better place. It is celebrated annually on April 21st. This day was designated by the United Nations to highlight the importance of creativity and innovation in addressing various global challenges, including economic, social, and environmental issues.

The concept behind World Creativity and Innovation Day is to promote creative thinking and problem-solving on a global scale. It encourages individuals, organizations, and communities to explore new ideas, seek innovative solutions, and embrace a mindset of creativity and innovation in all aspects of life. This can include everything from developing new technologies to fostering creativity in education and promoting sustainable practices.

The World creativity and innovation Day event was planned and organized under the guidance of Principal Dr. A. Lakshmana Rao, and it was supported by IPA members, NSS team, Staff and students of the Institution.

Various competitions are held on this occasion for our students and students of other colleges and students were given prizes in various category. Craft making, Innovative ideas, Mini projects etc. were conducted.
