## POLICY DOCUMENT

### FINANCIAL SUPPORT TO ATTEND FDPS/RESEARCH WORKS/CONFERENCES /WORKSHOPS/SEMINARS/ SYMPOSIA/ /PUBLICATIONS

#### INTRODUCTION

Teaching staff members are entitled to financial support from the institution for their research works, attendance at FDPS, conferences, workshops, seminars, symposia, and publications in the pharmaceutical field at the state, national, and international levels, as well as professional memberships in related fields. By improving resources and research capabilities and giving faculty members a platform to disseminate their expertise to a global audience, it seeks to elevate the calibre of teaching.

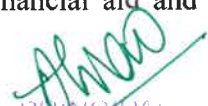

#### OBJECTIVES:

- To encourage faculty members to conduct research in order to enhance their research abilities.
- To improve the educational qualifications of teachers.
- To give researchers a secure space in which to exchange their ideas and information.
- To engage in discussions with distinguished researchers and scholars from research institutes in order to enhance the subject-matter expertise of teachers.
- To facilitate teachers' interactions with the outside world.

#### ELIGIBILITY:

- The regular teaching faculty of the institute will be qualified for financial assistance. Attendance at FDPS, research works, conferences, workshops, seminars, symposia, and publications in the pharmaceutical area at the state, national, and international levels is covered financially.
- Teachers who make advantage of the financial aid and physical facilities to finish their doctoral programmes on time.
