PROGRAMME REPORT

Programme Name	One-day seminar on “Global Markets, Local Adaptations: Cross-border Entrepreneurship in Pharmacy”.
Resource Person	Mr. A. Viswanath, Associate Professor & Dean T&P, Vignan Pharmacy College, Vadlamudi.
Date of Activity	19-07-2022
Organized By	V. V. Institute of Pharmaceutical Sciences
Venue	Room No: 109, V. V. Institute of Pharmaceutical Sciences

Objective of the Program: Understanding the global market is fundamental to successful cross-border entrepreneurship. Sound knowledge of global markets and laws of different countries is necessary to market the product; several agencies like the European Medical Agency, USFDA, and several other countries have set up their laws and regulations to import pharmaceutical products. The objective of this program is to understand the current trends in global markets for cross-border entrepreneurship.

Topic Covered:

- ✓ Entrepreneurship opportunities in the pharmaceutical sector.
- ✓ Understanding various Markets.
- ✓ European medical agency, USFDA.
- ✓ Regulations of various countries.

18th July 2022.

CIRCULAR

This is to inform you that a one-day online “Impact lecture Series-I” is being organized by V. V. Institute of Pharmaceutical Sciences on 25th July 2022. I request you all to register immediately and to attend the program.

Resource Persons:

1. **Dr. Giridhar Parvatam**, Scientist in CSIR-Central Food Technological Research Institute, Mysuru.
2. **Prof. H. Purushotham**, DPIIT-Ministry of Commerce and Industry IPR Chair Professor at Andhra University Visakhapatnam.

Venue: VVIPS Seminar Hall

Timings: 10:00 AM

About the College

V. V. Institute of Pharmaceutical Sciences was established in the year 2010 as esteemed promotions of A.A.N.M. & V.V.R.S.R. Educational Society.

The College aims to provide Quality Education, Training and Research facilities of high standard in Pharmaceutical Sciences and strives hard to achieve its objectives through sincere, dedicated efforts, discipline and hard work. The college is equipped with sophisticated equipment's in well-established laboratories and the state of the art library with 1680 Titles and 6282 Volumes, subscription of 10,172 E-journals, 2447 E-Books, Knimbus Networking and Magazines to meet the needs of the students. Our college research publications include more than 300 articles in reputed journals.

Mr. V.L. Vinod

Ms. D. Lavanya

Registration is free

Courses Offered:

B. Pharmacy : 100 Seats

M. Pharmacy : **Pharmaceutics: 15 Seats**
Pharm. Analysis: 15 Seats

Topics :

- * Leveraging innovation to tap the potential of phytoconstituents for food and pharma
- * Entrepreneurial Opportunities for Students

About the Webinar

"Discover the Future: Impact Lecture Series-1" invites you to embark on an enlightening journey through the realms of research, innovation, and entrepreneurship in pharmacy. This groundbreaking webinar series serves as a beacon for professionals and enthusiasts alike, exploring the cutting-edge developments and transformative potential within the pharmaceutical domain. Delve into the heart of innovation as we unravel the latest advancements in drug discovery, delivery systems, and patient-centric care. Witness the synergy between research excellence and entrepreneurial spirit, uncovering pathways to translate scientific breakthroughs into impactful ventures. Join leading experts, visionaries, and pioneers as we navigate the dynamic landscape of pharmacy, igniting inspiration and fostering collaboration for a brighter, healthier future. Mark your calendars and be part of the revolution shaping the future of healthcare – join us for Impact Lecture Series-1.

30th July 2022.

CIRCULAR

This is to inform you that a one-day online “**Impact lecture Series-II**” is being organized by V. V. Institute of Pharmaceutical Sciences on **06th August 2022**. I request you all to register immediately and to attend the program.

Resource Persons:

1. **Dr. V. Sai Kishore**, HOD, Dept of pharmaceutics, of Bapatla College of Pharmacy Bapatla, Andhra Pradesh.
2. **Dr. K. Ravi Kumar**, Professor & Vice Principal, Hindu College of Pharmacy, Guntur, Andhra Pradesh..

Venue: VVIPS Seminar Hall

Timings: 10:00 AM

About the College

V. V. Institute of Pharmaceutical Sciences was established in the year 2010 as esteemed promotions of A.A.N.M. & V.V.R.S.R. Educational Society.

The College aims to provide Quality Education, Training and Research facilities of high standard in Pharmaceutical Sciences and strives hard to achieve its objectives through sincere, dedicated efforts, discipline and hard work. The college is equipped with sophisticated equipment's in well-established laboratories and the state of the art library with 1680 Titles and 6282 Volumes, subscription of 10,172 E-journals, 2447 E-Books, Knimbus Networking and Magazines to meet the needs of the students. Our college research publications include more than 300 articles in reputed journals.

Courses Offered:

B. Pharmacy : 100 Seats

M. Pharmacy : Pharmaceutics: 15 Seats
Pharm. Analysis: 15 Seats

Topics :

- * Intellectual Property Rights (IPRS) and IP Management for Start Up.
- * New Prospects of Preparing Patent Regimen by Different Countries.

About the Webinar

Impact Lecture Series-II" beckons you to explore the nexus of research, innovation, and entrepreneurship within the pharmaceutical realm. This engaging webinar series serves as a catalyst for visionaries and trailblazers to delve into the transformative power of pioneering research and inventive solutions. From groundbreaking drug discoveries to innovative patient-centric care models, we navigate the forefront of pharmaceutical innovation. Witness firsthand how research excellence propels entrepreneurial initiatives, forging pathways to impactful ventures and sustainable healthcare advancements. Join us as we illuminate the roadmap to success in the ever-evolving pharmacy landscape, where innovation fuels progress and entrepreneurship defines the trajectory. Seize the opportunity to be inspired, enlightened, and empowered – join us for Impact Lecture Series-II and contribute to shaping the future of pharmacy.

About the Seminar

This seminar encapsulates the vital intersection of commerce and ethics within the pharmaceutical landscape. Discover the dynamic balance between entrepreneurial spirit and ethical responsibility in the realm of pharmacy practice. Explore how innovative business models and ethical considerations intertwine to shape the future of pharmaceutical entrepreneurship. From navigating regulatory frameworks to fostering patient-centric care, this brochure delves into the core principles that drive successful pharmacy ventures while upholding the highest ethical standards. Unlock insights, best practices, and case studies that illuminate the path to sustainable entrepreneurship in the pharmaceutical domain, where integrity and innovation converge for the betterment of healthcare ecosystems. Join us in exploring the transformative potential of ethical entrepreneurship in pharmacy today.

Resource Person	Mr. M. Pavan, Assistant Professor, Aditya College of Pharmacy, Surampalem.
Date of Activity	09-12-2022
Organized By	V. V. Institute of Pharmaceutical Sciences
Venue	Room No: 109, V. V. Institute of Pharmaceutical Sciences

The objective of the Programme: Several Banks, like the Reserve Bank of India and SBI, recruit pharmacists to dispense drugs to the employees. Several Banks Recruit pharmacists in the clerical cadre via the IBPS Exam. The objective of this program is to help students understand the employment opportunities for pharmacists in the banking and government sectors.

Topic Covered:

- ✓ Role of pharmacist in the banking & government sectors.
- ✓ Various Entrance Exams.
- ✓ IBPS and its exam pattern.
- ✓ Duties of Pharmacists in the banking and other sectors.

About the Seminar :

This Seminar entitled "Review of Advancements and the Impacts of Analytical and Bioanalytical techniques" focuses on to help students to understand the the advances in analytical and bioanalytical techniques . This Seminar helps to Understand the Applications of Analytical advances in the fields of Medical and Clinical Studies. This Conference focuses on recent analytical advances like potentiometric sensors and biosensors and their applications.

Topics to be covered:

- # Recent Advances in Analytical And Bioanalytical Techniques
- # Biosensors
- # Potentiometric Sensors
- # Molecular Imprinted Polymer Sensor
- # Hyphenated separation Techniques

About the College

V. V. Institute of Pharmaceutical Sciences was established in the year 2010 as esteemed promotions of A.A.N.M. & V.V.R.S.R. Educational Society.

The College aims to provide Quality Education, Training and Research facilities of high standard in Pharmaceutical Sciences and strives hard to achieve its objectives through sincere, dedicated efforts, discipline and hard work. The college is equipped with sophisticated equipment's in well-established laboratories and the state of the art library with 1676 Titles and 6203 Volumes, subscription of 19392 E-journals, 78617 E-Books, Knimbus Networking and Magazines to meet the needs of the students. Our college research publications include more than 350 articles in reputed journals.

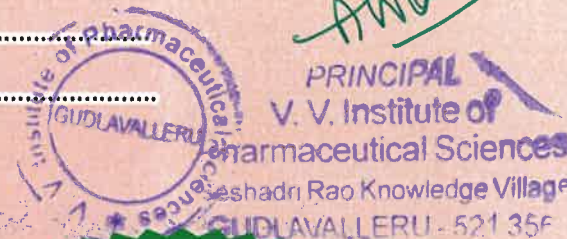

Courses Offered:

B. Pharmacy : 100 Seats

M. Pharmacy:

Pharmaceutics: 15 Seats

Pharm. Analysis: 15 Seats

PROGRAMME REPORT

Programme Name	One-day seminar on “ Review of Advancements and the Impacts of Analytical and Bioanalytical Research. ”
Resource Person	Dr. R. Kalirajan , Professor & HOD, JSS College of Pharmacy, Ooty.
Date of Activity	28-01-2023
Organized By	V. V. Institute of Pharmaceutical Sciences
Venue	Room No: 109, V. V. Institute of Pharmaceutical Sciences

Objective of the Program: The Advances in Analytical and Bioanalytical Techniques have various applications in medical /clinical problems. The advances in these techniques help us to understand various clinical and biomedical problems more precisely. The objective of this program is to understand various recent advances in analytical and bioanalytical techniques.

Topic Covered:

- ✓ Recent advances in analytical and Bioanalytical Techniques.
- ✓ Potentiometric sensors
- ✓ Biosensors
- ✓ Molecular Imprinted polymer sensors (MIP)
- ✓ Hyphenated Separation Techniques and Applications in clinical chemistry

PROGRAMME REPORT

Programme Name	A One-day seminar on IPR role in meeting the challenges to reduce global burden of diseases
Resource Person	Mr. Sk. Nagul Meeravali , Business Executive, Glenmark Pharmaceutical Ltd., Vijayawada 520002 .
Date of Activity	04-03-2023
Organized By	V. V. Institute of Pharmaceutical Sciences
Venue	Seminar Hall, V. V. Institute of Pharmaceutical Sciences

The objective of the Programme:

Share the latest research findings, innovations, and developments in the field of pharmaceutical sciences with a wider audience. Facilitate collaboration and networking among the researchers, scientists, and professionals in the pharmaceutical industry. Help participants stay up-to-date with the rapidly evolving pharmaceutical landscape and encourage discussion and exploration of new ideas and approaches that can lead to breakthroughs in pharmaceutical research. Provides a platform for educating and training individuals, including students, about the latest trends and technologies. Overall, the objective is to create an environment where participants can learn, share, and contribute to the advancement of pharmaceutical sciences.

Topic Covered:

- ✓ Clinical Trials and Patient recruitment.
- ✓ Drug delivery systems.
- ✓ Research methods.
- ✓ Manufacturing process innovations.
- ✓ Regulatory updates and vaccine developments.
- ✓ How to overcome problems while method development.
- ✓ How to improve research techniques.
- ✓ Artificial intelligence and machine learning in drug discovery data and their impact on the pharmaceutical industry.

About the Webinar

"Dive into the World of Intellectual Property Rights!" Join us for an enriching webinar presented in association with the esteemed KALAM Program for Intellectual Property Literacy and Awareness Campaign (KAPILA) and the National Intellectual Property Awareness Mission 2.0 (NIPAM 2.0). This exclusive event promises to unravel the intricacies of intellectual property rights (IPR) in today's dynamic landscape. From patents and trademarks to copyrights and trade secrets, explore the vital role of IPR in fostering innovation, protecting creativity, and driving economic growth. Gain valuable insights from industry experts, legal luminaries, and thought leaders as we navigate the complexities and opportunities inherent in the world of intellectual property. Whether you're an entrepreneur, innovator, educator, or legal professional, this webinar offers invaluable knowledge and tools to navigate the evolving terrain of intellectual property rights. Join us and empower yourself with the knowledge to safeguard and leverage your intellectual assets effectively.
