About the Authors

Dr. Sk. Aminabee received her Bachelor's of Pharmacy from Acharya Nagarjuna University, Nagarjuna Nagar and Master's Degree in Pharmacology from Andhra University, Visakhapatnam. She completed Doctorate Degree from Jawaharlal Nehru Technological University, Hyderabad. She is presently working as Associate Professor in the Department of Pharmacology in V. V. Institute of Pharmaceutical Sciences, Gudlavalleru, Andhra Pradesh. She has 11 years of teaching and research experience. She has participated in 38 National and International Conferences and presented about 21 papers. She acted as Co-ordinator, Co-convenor and Organizer for various International and National Conferences. She published 28 papers in reputed journals. Gave 3 guest lectures. She received Association of Pharmacy Professionals (APP) Best Faculty Award 2017, OPF Oscar Teacher Award of the year 2018, Dr. APJ Abdul Kalam Award for Young Scientist 2019, Young Educator & Scholar Award 2020 and Associate Fellow Award 2021 from Association of Sciences. She is a Life member of professional societies like IPA, APTI, ISTE, APP, OPF.

Prof. Dr. A. Lakshmana Rao received his Bachelor's of Pharmacy from Acharya Nagarjuna University, Nagarjuna Nagar and Master's Degree in Pharmaceutical Chemistry from Andhra University, Visakhapatnam. He completed Doctorate Degree from Acharya Nagarjuna University, Nagarjuna Nagar. He has 21 years of teaching, Administrative and Research experience. He is presently working as Principal, V. V. Institute of Pharmaceutical Sciences, Gudlavalleru, Andhra Pradesh. He received Research and Seminar Grants from All India Council for Technical Education, New Delhi and Pharmacy Council of India, New Delhi. He has guided 11 Ph.D. students of Pharmacy in various universities in India. He has also guided 67 Postgraduate students of Pharmacy. He has participated in 96 National and International conferences. He has presented 38 papers in various International and National Conferences. He has organized 41 Seminars, Conferences and workshops at National and International level. He has done extensive Research work in the field of Pharmaceutical Sciences and he has contributed 333 Research Publications in various reputed International and National Journals. He was invited as a Guest Speaker for various Seminars and Conferences. He has received several Awards and Honors; the prominent among them are Best Oral Presentation Award from Indian Pharmaceutical Association; Dr. L.V.G. Nargund Research Excellence in Pharmaceutical Chemistry Award from Association of Pharmaceutical Teachers of India; Best Originality in Research Award from Pharma Middle East Congress, USA; Eminent Pharmacist Award from Operant Pharmacy Federation; Overall First Prize Award from International Medical University, Malaysia; Overall Best Scientific Presentation Award in Indian Pharmaceutical Congress; Nobel Principal of the Year Award from Operant Pharmacy Federation; Principal of the Year Award from Association of Pharmacy Professionals; Meritorious University Best Teacher Award from Jawaharlal Nehru Technological University Kakinada; Best Presentation Award in Indian Pharmaceutical Congress; Dr. P.D. Sethi Annual Award from Kongposh Publications Pvt. Ltd. He is Editor-in-Chief, Reviewer and Editorial Board Member for 120 reputed International and National journals. He is a Life member of professional societies like IPA, APTI, ISTE, ABAP, APP, OPF, IAAC etc.

GUDLAVALLERU - 521 356

Myxopyrum smilacifolium and Pamburus missionis were used to treat for ailments in ancient system of medicine. This book contains the pharmacognostical findings of both the plants to establish standardization. The plants were evaluated for antioxidant, antiinflammatory and antiarthritic activity. Further parameters were studied. Results were analyzed statistically which shown both the plants are potent against arthritis.

Myxopyrum & Pamburus

My interest on natural products paved to investigate on phytoconstituents against autoimmune disorders like arthritis. During this research journey, the knowledge is cherished in technical aspects and lead to the novel findings in pharmacognosy and phytochemistry.
