## REPORT

V. V. Institute of Pharmaceutical Sciences organized a program on "Time Management" by Sri. N. Satish, Senior Pharmacist, Narasaraopeta, to teach students about time management in their daily curriculum which helps in their education work and simultaneously in their future. Time in any organization is constant and irreversible nothing can be substituted for time.

The speech was delivered by Dr. A. Lakshmana Rao sir about being punctual in their daily activities and the importance of maintenance of the work and he also gave a word on effective time management leads to effective leadership qualities

Pharmacists have numerous demands on their limited time. Time management is a factor that affects a pharmacist's performance and productivity in the work area. Time management would help in eradicating unwanted stress, lack of professionalism and work and life imbalance and would help in enhancing high -quality work in a given period of time with less effort and above all enhances decision-making ability.

So, the overall program was successful and students found it very useful for the development in the perspective and development of their career in upcoming sessions of life. So, maintaining time in their time schedules.

## REPORT

"INTERPERSONAL DEVELOPMENT" is a skill development program conducted at V.V. Institute of Pharmaceutical Sciences by Mr. M. Murali Krishna, Head Master, A. A. N.M.V.V.R.S.R. High School, Gudlavaluru to encourage students about personality development in the field of pharmacy. The need for the interpersonal development is a proper set of communication in terms of effective information exchange has a priority role for the management 'successful and successful functioning of the organization.

Interpersonal development refers to the process of improving one's ability to interact, communicate, and build positive relationships with others. It involves developing a range of skills and qualities that facilitate effective interactions and connections with people in various personal and professional contexts. Interpersonal development is a lifelong journey that can lead to more meaningful relationships, enhanced personal well-being, and improved career success. Effective communication is at the heart of interpersonal development. This includes not only speaking and listening but also nonverbal communication, such as body language and facial expressions. Developing active listening skills, clarity in speech, and the ability to express oneself clearly are essential components.

Conflict is a natural part of human interaction. Interpersonal development involves learning how to manage and resolve conflicts constructively, finding mutually beneficial solutions, and maintaining positive relationships despite disagreements.

So, overall program was successful, students found it very useful of their communication skill development and handling of the patients, other questionaries was raised from them and doubts were clarified to all the questionaries with sort of examples.

## REPORT

V.V. Institute of Pharmaceutical Sciences conducted a skill development program on "WORK SCHEDULING AND PROJECT PLANNING" by Ms. T. Prasanthi, Associate Professor, V. V. Institute of Pharmaceutical Sciences, Gudlavalleru, which emphasized a positive impact on project management within the organization. Madam suggested team work and the use of project management software fostered better communication and collaboration among team members helped for timely completion of allotted work. Training in pharma industry helps in project planning, scheduling and proper utilization of the available facilities and other resources.

Our Principal sir Dr. A. Lakshmana Rao garu delivered speech regarding the importance of today's program and congratulated all the students and advised the students to follow the suggestions given by the resource person.

Overall the session was completed successfully and the students felt very happy and we got very good response from students regarding the event.

## REPORT

V. V. Institute of Pharmaceutical Sciences organized a Personality development program on "Key to Success" by Ln. G. Subash Chandra Bose, District Co-ordinator, Career Guidance, to teach students about Key points to become success.

Success is a dynamic and subjective concept that varies across individuals and organizations. This program clearly defines personal and professional goals in achieving success. The words are very inspirational and motivated the student. Success is a concept closely related to conditional and predictive power.

The speech was delivered by Dr. A. Lakshmana Rao sir about success mantra to reach heights and fulfil their goals and suggest the students to follow the key points said by the resource person.

So, the overall program was successful and students found it very useful to face challenges and become successful in their career and personal life.
