Name of the program: WORLD PHARMACIST DAY

Date of the program: 25-09-2021

All over the world globally the 25th September is celebrated as World Pharmacist Day every year. This event is designed to encourage the pharmacist's crucial role in safeguarding the patient safety through improvising medicines use and reducing medication errors. Pharmacists are the most accessible health care professionals globally and trained to be able to impact medication safety at the individual patient level through medication management skills that are part of the clinical pharmacist's role. Medicines today have great power in healing and to improve the quality of life but medicines also may do serious effects if not taken properly. This is where the pharmacist plays an important role.

The Pharmacist Day event was planned and organized under the guidance of Principal Dr. A. Lakshmana Rao, and it was supported by IPA members, NSS team, Staff and students of the Institution.

Several events are organized on the occasion of World Pharmacist Day to students and students from other college also actively participated in the sessions.

During the program, Principal sir shared his thoughts on the theme and provided valuable insights on role of Hospital pharmacist, emphasizing on the importance of counseling of patients. And staff members also shared their views. Followed by prize distribution for various events conducted.

At the end of the celebrations the principal and staff exchanged their greetings with community, hospital and future pharmacists. As Pharmacy plays an important role in the development of country and also new innovations.

Name of the program: DASARA CELEBRATIONS

Date of the program: 04-10-2021

The Management, Principal, Staff and Students of V. V. Institute of Pharmaceutical Sciences celebrated Dasara on Dasara Celebrations event on 4th October, 2021.

The program was planned and organized under the guidance of Principal Dr. A. Lakshman Rao, and it was greatly supported by IPA members, Staff and students of the Institution. Navratri is a nine-day festival in which nine forms of Goddess Durga whose are worshipped and the tenth day is known to be Vijaya Dashami which is one of the most significant festivals celebrated by Hindus all across India with great spirit. People from the different parts of the country celebrate this festival accordingly. Though they worship the same deity, but they perform different rituals. The main aim of the event was to make people aware about the Hindu mythology and create a festive atmosphere.

Various cultural programs were held like traditional fancy-dress competition, folk dances and singing, students from other colleges also actively participated in the events. After completion of the cultural events, Principal sir addressed gathering about the importance of Navaratri. Immediately after completion of speech the program was followed by Prize distribution for winners in various competitions held. Overall, the program was a grand success and all the staff, students enjoyed the event with joy and happiness.

Name of the program: NATIONAL UNITY DAY

Date of the program: 30-10-2021

The Staff and students celebrated National Unity Day this year with immense pride and gratitude. The program was planned and organized under the guidance of Principal Dr. A. Lakshmana Rao, and it was greatly supported by Management committee, IPA members, Staff and students of the Institution.

The National Unity Day or Rashtriya Ekta Diwas is celebrated every year on October 31 to commemorate the birth anniversary of India's first Home Minister, Sardar Vallabhbhai Patel who is also known as the Iron Man of India. The Rashtriya Ekta Diwas provides an opportunity to reaffirm the inherent strength and resilience of our nation towards upholding the unity, integrity, and security of our country.

Faculty and Principal sir expressed their views about the importance of National Unity Day that it will provide an opportunity to reaffirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity and security of our country.

Students enthusiastic actively participated in the unity run in the campus. Various events were conducted on this occasion like singing, dancing and skit etc., and the program was followed by prize distribution for various cultural events to the winners.

Name of the program: SANKRATHI CELEBRATIONS

Date of the program: 07-01-2022

Sankranti is one of the most important festivals in Andhra Pradesh. The people in Andhra Pradesh celebrate it for 3 days - Bhogi, Sankranti and Kanuma. During this festival entire state is filled with joy and rejoices the New Year in life. Sankranti, also called 'Makara Sankranti' is celebrated to mark the beginning of the harvesting season in India. It is celebrated almost all over the country, especially in Tamil Nadu, Andhra Pradesh, Karnataka and Maharashtra. In Andhra Pradesh, the Makara Sankranti is celebrated for three days. During this time, the cultural supremacy of the state comes to the forefront as every place in Andhra Pradesh reflects the festive spirit.

The Management, Principal, Staff and Students of V. V. Institute of Pharmaceutical Sciences celebrated Sankranti on Sankranti Celebrations event on 7th January 2022.

The program was planned and organized under the guidance of Principal Dr. A. Lakshmana Rao, and it was greatly supported by IPA members, Staff and students of the Institution.

The students and staff members wore the traditional attire and college was filled with the joy and enthusiasm; various cultural events were conducted to increase the sportive spirit among the students. After the completion of the speech of the Head of the Institution the session was followed by prize distribution to the winners of various competitions held. Finally, the program was a grand success.

Name of the program: NATIONAL SCIENCE DAY

Date of the program: 28-02-2022

National Science Day is celebrated to raise the awareness of the importance of science in our day to day lives while acknowledging the contributions made by our scientists in this field. But the origin of this day dates back ago to 28th February 1928, when Chandrasekhara Venkata Raman discovered a path-breaking phenomenon of the scattering photons which was later coined as "Raman Effect", after his name. He won the noble prize, in 1930, for this remarkable discovery, being the first Nobel Prize for India in the field of science.

On these great contributions the February 28th is celebrated as National Science Day. So to remember this great contribution Science Day was organized under the guidance of Principal Dr. A. Lakshman Rao, and it was greatly supported by IPA members, Staff and students of the Institution.

Principal sir delivered a deliberate speech on the importance of science day and all the staff expressed their views and prizes were distributed to the winners. Overall session was very informative and very innovative thoughts are shared. Students felt very encouraging to share the innovative thoughts.

Various cultural programs are conducted to encourage students. All students from other colleges also participated actively in the cultural events conducted and Overall session was captivating.

Name of the program: INTERNATIONAL WOMEN DAY

Date of the program: 08-03-2022

College premises were decorated with posters, banners, rangolis and floral garlands, Staff and students wore traditional dresses. Entire college was filled with joy and happiness.

The Event was proudly organized with the cooperation of the Principal, Management, Staff, IPA members and Students of V.V. Institute of Pharmaceutical Sciences on 8th March 2022.

March 8th is celebrated worldwide as International Women Day. The main objective behind celebrating the women's day is to emphasis the importance of women in our day-to-day life, achievements and basic knowledge about gender equality. To know the basic rights, laws and right for education for every girl child. It is the day to remember the role of women and her greatness in every sphere of life.

Right to gender equality

Right to women empowerment

Right to girl child education

These are the major rights which determine the progress of a nation. Where these basic rights are implemented, the country automatically develops.

On this occasion the women staff got dressed in traditional attires and students also wore sparkling colorful dresses. All the lady staff were felicitated by the students and Principal sir gave a deliberate speech to the gathering about the contributions of the women in our day-to-day life.

Finally various cultural programs were held and prizes were distributed to the winners in the various competitions held. Fashion show for lady faculty was captivating.

Date: 22-04-2022

Name of the program: WORLD CREATIVITY & INNOVATION DAY

Date of the program: 21-04-2022

World Creativity and Innovation Day, often referred to as WCID, is an annual global event celebrated on April 21st. It was established by the United Nations to raise awareness about the role of creativity and innovation in problem-solving and sustainable development. The day is dedicated to encouraging people to use their creativity to generate innovative ideas and solutions that can address various challenges facing society.

World Creativity and Innovation Day aims to emphasize the importance of creativity and innovation in various aspects of life, including business, education, science, and the arts. It serves as a reminder that these qualities can be harnessed to create a better and more sustainable future.

Along with the cooperation of Management, Principal, Staff and IPA local branch the World Creativity and innovation day was celebrated in our college on 20th April globally.

The celebration of this day often includes various events, workshops, and activities that promote creative thinking and problem-solving. It encourages people to step out of their comfort zones, think outside the box, and explore new ways of approaching problems and opportunities.

WCID is part of a broader effort to foster a culture of innovation and creativity in both individual and collective endeavors.

The program was followed by principal Speech and interaction with students about highlighting their significant role in achieving global goals and improving the quality of life for people around the world.

Prizes were given to the winners in various events and the program was finally a grand success.
