Alumni Association Minutes of Meeting

Date: 26-12-2022

Venue: Principal's Cabin

Organizing Member: President

Agenda:

Taking Inputs for organizing Alumni Association meetings.

Opportunity for alumni to share any personal or professional updates, achievements, or milestones.

Recognition of notable accomplishments within the alumni community.

Allotment of works to the committee members of Alumni for execution.

Discussion of upcoming events, projects, or fundraisers.

Points Discussed:

The meeting commenced with opening remarks from the president, where he warmly welcomed all attendees and expressed heartfelt gratitude for their enthusiastic participation.

He highlighted the significance of the alumni community and their collective efforts in driving positive change.

Following the welcoming remarks, updates were provided on the action items discussed in the previous meeting, showcasing the progress made since then.

This included various initiatives, projects, and commitments undertaken by the association and its members.

Alumni were given the floor to share their personal and professional updates, highlighting accomplishments and milestones achieved since the last gathering.

The president took a moment to recognize outstanding achievements within the alumni community, applauding individuals for their contributions and successes.

Alumni Association Minutes of Meeting

Date: 19-03-2022

Venue: Principal's Cabin

Organizing Member: President

Agenda:

Discussion regarding interaction program with alumni.

Planning for Alumni interaction

Allotment of works to the committee members for Alumni interaction.

Points Discussed:

- The alumni meeting commenced with a warm welcome extended to all attendees, accompanied by sincere gratitude for their valuable participation.
- A concise recap of the minutes from the previous meeting was provided, followed by unanimous approval.
- During the meeting, significant emphasis was placed on discussing the latest alumni updates and achievements, where members shared their respective personal and professional milestones. Various ideas were explored concerning networking events, mentorship programs, and alumni outreach activities aimed at fostering stronger connections within the alumni community.
- Alumni were encouraged to leverage their networks for both personal and professional growth, highlighting the potential benefits of mutual support and collaboration. Opportunities for alumni to actively contribute to the development and success of current students and recent graduates were thoroughly discussed, underlining the importance of giving back to the alma mater.
- A plan was devised to organize an online interaction program with alumni of VVIPS, aimed at facilitating meaningful engagement and networking opportunities.
- Lastly, specific responsibilities were assigned to committee members, ensuring effective delegation and follow-up on action items discussed during the meeting.

Alumni Interaction Program with Students

Report

Name: Mr. G. K. V. V. S. N. Krishna Aditya Teja, M.S. Pharm in Medical Devices, NIPER, Ahmedabad & Ph.D in IIT, Gandhinagar, Department of Chemical Engineering

Event Name: Online Presentation on “**Lipid Microbubbles for Enhanced Therapeutic Activity Enabled by Photodynamic Effect**”.

Date: 09/02/2023

Mr. G. K. V. V. S. N. Krishna Aditya Teja of VVIPS (2012-2016) has presented an online presentation on “**Lipid Microbubbles for Enhanced Therapeutic Activity Enabled by Photodynamic Effect**” to the students on the 09/02/2023. The session was held in online mode in which Krishna shared his research related topics to the students so that they gained a lot of knowledge which is useful to the students in their career aspects. Students got to know a lot of information about Microbubbles and its uses in bioimaging as well as Anti-Cancer Drug Delivery. He explained a peer review process, language used while writing the document and providing awareness of existing scientific literature. Overall, the session was very informative and innovative to the students, which helps them in Career aspects.

Alumni Interaction Program with Students

Report

Name: Abdul Shakira (M.S. Pharm in Bioinformatics NIPER, Mohali, Punjab)

Job: Associate, Data Analyst in Axtria Inhenious Insights, Bangalore.

Event Name: Online Interaction of Alumni with Students.

Date: 01/10 /2022

Ms. Abdul Shakira is a VVIPS Alumna working as an Associate Data Analyst in Axtria Inhenious Insights, Bangalore. Event was organized in the college with the support of our respective Principal sir and staff of VVIPS. She discussed about the few things about Bioinformatics, that is related with the biology, computer science, statistics and mathematics. This program empowers graduates with a diverse skill set crucial for navigating the complexities of biological data analysis. Alumni frequently attribute their success in both academic and industrial settings to this interdisciplinary foundation.

This event is completed successfully with the help of staff and students.
