GENDER AUDIT

7.1.1: Institution has initiated the Gender Audit and measures for the promotion of gender equity during the last five years. Describe the gender equity & sensitization in curricular and co-curricular activities, facilities for women on campus etc., within 500 words.

It's commendable to see that V. V. Institute of Pharmaceutical Sciences is actively addressing gender equality and promoting gender sensitivity through various facilities and initiatives. Here's a summary of the gender-sensitive amenities and initiatives mentioned:

1. Safety and Security
2. High-Tech Surveillance System
3. Hostels
4. Medical Facilities
5. Gender-Segregated Restrooms
6. Counseling
7. Women Protection Cell
8. NSS Unit Activities

1. Safety and Security: The Student Grievances Re-dressal Cell handles complaints related to various issues, including victimization, peer bullying, and Faculty discord, ensuring a safe and supportive environment for all students.

2. High-Tech Surveillance System: The college employs high-resolution CCTV cameras for continuous surveillance to maintain the safety of the campus and monitor activities. The safety of our pupils is further enhanced by this dispersed recording system, which efficiently keeps an eye out for anyone accessing the college grounds without authorization.

3. Hostels: Girls are provided with hostel Facilities, and strict rules and regulations are enforced to ensure the safety of students. ID card checks help prevent unauthorized visitors and strict policies and procedures implemented by wardens aid in keeping an eye on students' safety. Our hostels have large dining rooms.

4. Medical Facilities: Students have access to a nearby hospital for medical care. First aid is available both within the college. The hospital ensures the safety and well-being

of students by providing emergency and specialized care through a committed team of physicians, nurses, and support workers.

5. **Gender-Segregated Restrooms:** Separate, well-ventilated, and sanitary restrooms are provided for both female and male students on each floor, along with common areas tailored for female students needs. Our facilities have separate Washrooms for both girls and Boys on the first and Second floors, which are thoughtfully built to ensure adequate ventilation and sanitation.
6. **Counseling:** The college offers counseling on various topics, addressing women's problems, peer group issues, gender sensitization, and student safety and security through seminars, workshops, and awareness programs led by senior academics and guest lecturers. The Anti-ragging Committee and Women Protection Cell provide support and advice to students.
7. **Women Protection Cell:** This cell focuses on gender sensitization, women's empowerment, and the overall well-being of female students. It encourages their participation in campus and off-campus activities.
8. **NSS Unit Activities:** The NSS unit organizes events and activities to educate students about gender issues. It is encouraged for female students to get involved in events held on and off campus. Furthermore, we place a high priority on empowering young women via healthcare services and holistic development, which includes the development of their bodies, morals, cultures, and skills.

These facilities and initiatives collectively create an environment that prioritizes the safety, well-being, and gender equality of all students at V. V. Institute of Pharmaceutical Sciences. It's essential for educational institutions to continue promoting such values to create a more inclusive and equitable society.

VVIPS organized one day Programme on "WOMEN'S EQUALITY DAY" in association with IPA Gudlavalleru, Local Branch with the co-operation of the Principal, Management, Staff in college premises on August 26th 2023. The Event covered the following objectives and learning outcomes.

Objectives:

August 26th is celebrated worldwide as Women's Equality Day. The main objective behind celebrating this day is about the achievements made by women in various fields. The day also aims to bring to the fore the struggles women have faced to win equal rights. Women's Equality Day is marked primarily in the US on August 26th annually.

Learning outcomes:

On this Event, the "WOMEN'S EQUALITY DAY" was planned and organized under the guidance of Principal Dr. A. Lakshman Rao, and it was greatly supported by IPA members, Staff and students of the Institution. The Resource Person, Ms. M. Chandana gave a speech on women achievements without regard to divisions, whether national, ethnic, linguistic, cultural, economic or political. The day applauds the progress of women in every field, politics, science, arts, sports, business etc... Women's Equality Day is an opportunity to initiate discussions, and actions for a gender-equitable society.

The Event was very informative and provided the participants with enormous knowledge on various aspects of Women's Equality Day.

VVIPS organized one day Programme on "INTERNATIONAL WOMEN'S DAY" in association with IPA Gudlavalluru, Local Branch with the co-operation of the Principal, Management, Staff in college premises on March 08th 2021. The Event covered the following objectives and learning outcomes.

Objectives:

March 8th is celebrated worldwide as International Women Day. The main objective behind celebrating the women's day is to Girls' education strengthens economies and reduces inequality. It contributes to more stable, resilient societies that give all individuals – including boys and men – the opportunity to fulfill their potential.

Learning outcomes:

On this Event, the "INTERNATIONAL WOMEN'S DAY" was planned and organized under the guidance of Principal Dr. A. Lakshmana Rao, and it was greatly supported by IPA members, Staff and students of the Institution. The Resource Person, Ms. M. Chandana gave a speech regarding Education empowers girls to achieve more in their social, career, economic and family lives. To women education can mean going to class or being trained on capacity building and skills development or better yet being mentored on very essential aspects of Women Empowerment.

Women's empowerment equips and allows women to make life-determining decisions through the different societal problems. They may have the opportunity to re-define gender roles or other such roles, which allow them more freedom to pursue desired goals.

Overall the program was a grand success and provided an opportunity to share experiences of Staff and inspire every student about Gender equality.

VVIPS organized one day Programme on "INTERNATIONAL WOMEN'S DAY" in association with IPA Gudlavalluru, Local Branch with the co-operation of the Principal, Management, Staff in college premises on March 07th 2020. The Event covered the following objectives and learning outcomes.

Objectives:

March 8th is celebrated worldwide as International Women Day. The main objective behind celebrating the women's day is to Girls' education strengthens economies and reduces inequality. It contributes to more stable, resilient societies that give all individuals – including boys and men – the opportunity to fulfil their potential.

Learning outcomes:

On this Event, the "INTERNATIONAL WOMEN'S DAY" was planned and organized under the guidance of Principal Dr. A. Lakshman Rao, and it was greatly supported by IPA members, Staff and students of the Institution. The Resource Person, Ms. T. Sravani gave a speech regarding Education empowers girls to achieve more in their social, career, economic and family lives. To women education can mean going to class or being trained on capacity building and skills development or better yet being mentored on very essential aspects of Women Empowerment.

Women's empowerment equips and allows women to make life-determining decisions through the different societal problems. They may have the opportunity to re-define gender roles or other such roles, which allow them more freedom to pursue desired goals.

Overall the program was a grand success and provided an opportunity to share experiences of Staff and inspire every student about Gender equality.

VVIPS organized one day Programme on "WOMEN'S EQUALITY DAY" in association with IPA Gudlavalluru, Local Branch with the co-operation of the Principal, Management, Staff in college premises on August 27th 2018. The Event covered the following objectives and learning outcomes.

Objectives:

August 26th is celebrated worldwide as Women's Equality Day. The main objective behind celebrating this day is about the achievements made by women in various fields. The day also aims to bring to the fore the struggles women have faced to win equal rights. Women's Equality Day is marked primarily in the US on August 26th annually.

Learning outcomes:

On this Event, the "WOMEN'S EQUALITY DAY" was planned and organized under the guidance of Principal Dr. A. Lakshman Rao, and it was greatly supported by IPA members, Staff and students of the Institution. The Resource Person, Dr. P. Raveesha gave a speech on women achievements without regard to divisions, whether national, ethnic, linguistic, cultural, economic or political. The day applauds the progress of women in every field, politics, science, arts, sports, business etc... Women's Equality Day is an opportunity to initiate discussions, and actions for a gender-equitable society. The Event was very informative and provided the participants with enormous knowledge on various aspects of Women's Equality Day.
